A minimalist modernist interior scene. The room features light-colored, textured walls and a light-colored tiled floor. Sunlight streams in from the left, creating long, horizontal shadows across the floor. In the center, there is a tall, dark, arched sculpture on a thin black stand. To its right is a small, simple wooden table with thin black legs. In the foreground on the right, a long, low chaise longue with a light-colored cushion is positioned. The overall aesthetic is clean, open, and modern.
